

WE'RE MAKING AN UPGRADE!

Protecting you from fraud while providing you a smooth debit card experience is our top priority. That's why we're upgrading to a new debit processor.

YOUR DEBIT CARD AND PIN WILL CHANGE

If you experience any problems using your new card and PIN during the short conversion period, choose the "credit" option and, if prompted, sign for your purchase. **Use your new card on February 3.**

ANOTHER LAYER OF PROTECTION

SHAZAM[®] BOLT\$[™] is a mobile app that allows you to monitor your account from anywhere.
